

Walkabout Park Directions

LOCATION MAP

ON THE NORTHERN OUTSKIRTS OF SYDNEY

DRIVING FROM WAHROONGA (20 MINS) OR SYDNEY CBD (1 HOUR)

Walkabout Park is at the southernmost end of Peats Ridge Rd, the second exit from the N1 (F3) after you cross the Hawkesbury River when travelling north (Calga Interchange)

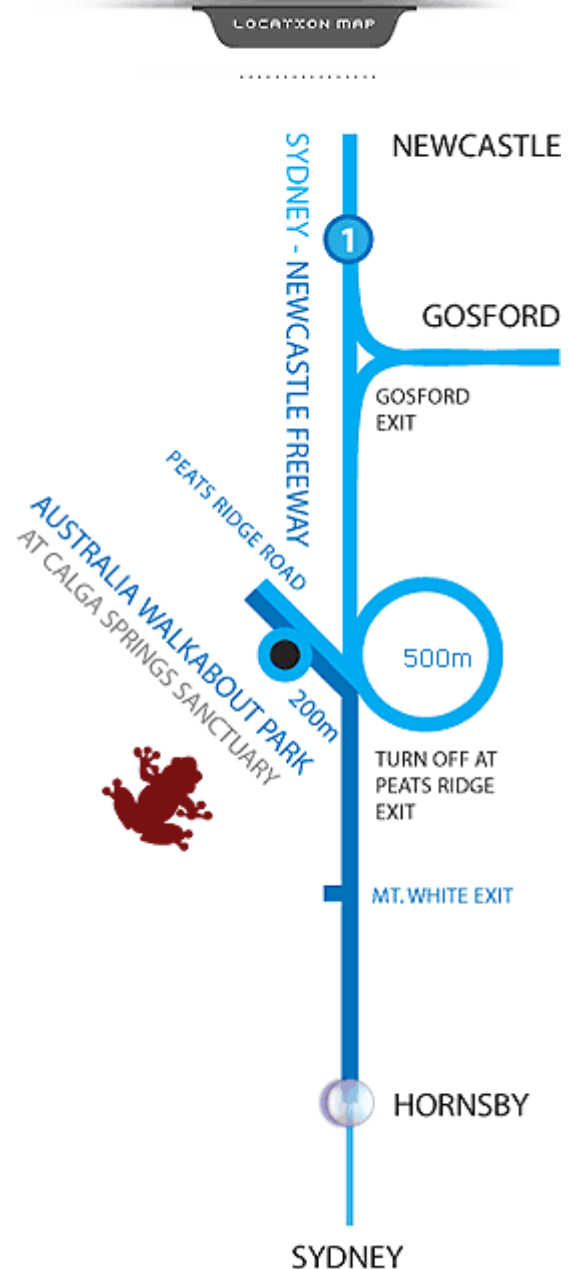

Follow the Newcastle signs along the Pacific Highway and onto the N1 (F3) at Wahroonga

- Drive north **towards Newcastle**
- Cross the **Hawkesbury River**
- Pass (don't take) the Mt White turnoff
- Watch for the big brown tourist sign saying **Aust Walkabout Wildlife Park**
- Take the next exit, the **Calga Interchange** sign-posted "**Peats Ridge**"
- Keep left as the interchange straightens out into **Peats Ridge Road**
- **200m on the left** on Peats Ridge Rd is a sign saying Australia Walkabout Wildlife Park
- Turn left into **Darkinjung Road**
- Turn left into our drive and drive in through the **gate with the animals** painted on it

TIPS SO YOU DON'T GET LOST

There are two F3 exits to Peats Ridge Road, one north of Gosford called the "Somersby Interchange", and one south of Gosford (between Gosford and Mt White) called the "Calga Interchange". The quickest way to get to us is to use the Calga Interchange. If you use the Somersby Interchange you will find yourself on an approximately 30km long tourist drive which is very pleasant, but long and winding. Also see "if you take the Calga Interchange when you are coming from Gosford or Newcastle" below.

If you take the Calga Interchange when you are driving from Sydney, it is very straightforward. We are only about 200 meters off the freeway so don't miss our sign. If you get to the Rocla mine or to Glenworth Valley you have gone too far.
