

Take to the sky with Air Activities

FAMILY ACTIVITY DAY

This activity gives you the experience of flying over the Hawkesbury Nepean district whilst enjoying the excitement of cockpit procedures, observing aircraft controls and listening to air traffic control instructions. Also learn about aircraft and aviation and relax and enjoy a picnic and barbeque with family and friends.

CUB SCOUT FLIGHT BADGE

Cubs learn all they need to know to achieve their Blue Flight badge with a little bit of theory, and an exciting flight and lots of fun. This can be combined with a Family Activity Day.

SCOUT PIONEER & EXPLORER BADGE

Spend a day at Camden to work towards your Pioneer or Explorer Badge. This can be combined with a Family Activity day.

VENTURER DAY

Customised as required to include understanding of aircraft and aviation and the skills associated with map reading and flight planning. This activity counts towards the relevant Venturer award programme.

GLIDING

Open to all sections. Gliding is an exhilarating form of flight. Activity days, Scout and Venturer programmes and flight training is available.

FLYING TRAINING

Learn to fly with our professional flying school. Air Venture Flying Camp held bi-annually subject to demand and staffing requirements.

COUNTRY ACTIVITIES

Can't get to Camden? We can come to you. We need an approved aerodrome, lots of interest and support. Gliding activities can also be arranged separately to power flying.
