From the South - Leave the freeway north of Wyong at the “Budgewoi - Swansea - Charlestown” exit. After crossing the Swansea Bridge it is approximately 13 kms to the turn off from where the Newcastle Inner City By Pass begins. (DO NOT TAKE THE BY-PASS). Turn right at traffic lights back onto the Pacific Highway (heading towards Charlestown). At the next set of traffic lights (Oakdale Road) turn right (Charlestown Toyota). Proceed 400m and turn left into Bulls Garden Road - follow it up a hill to a roundabout at the top. This is Dudley Road, take the last exit. Proceed 500m up a shorter hill and on your left just before “Whitebridge Automotive Services” is Burwood Road. Turn left here and follow for 2.5 klm. When the road sweeps left and starts to descend on the right is a dirt road. Follow this road to the Camp.

From the North - From the Pacific Highway at Highfields, which is approximately 10 kms south of the Newcastle City centre. Turn left at traffic lights into Kahibah Road (the road sign says “Kahibah 3 kms”, it is actually only 1 km). Continue for 1 km and the fourth street on the left is Burwood Road (blue Shopping Centre Sign). Turn left here and continue straight ahead for 1.2 klm (through a stop sign). Descend and then climb and turn left onto the dirt camp road.
